

MS6110

Wireless Double-sided Medical Floor Scale

The MS6110 is an affordable, accurate, professional medical scale, designed with a low profile platform to make it easier to step on and off. The double-sided LCD screen makes it possible for results to be viewed easily by either the patient or the operator. When used with the HM202P Portable Stadiometer, weight and height measurement can be conducted simultaneously, saving valuable time and effort.

Data can be transmitted wirelessly to a thermal printer or PC for convenient record-keeping.

Double-sided indicator for easy viewing

Compatible with HM202P Stadiometer – no cumbersome base attachment needed

Functions

- BMI
- Print
- Hold
- Tare
